

Join our Board

Location: Hull and East Riding of Yorkshire (Hybrid meetings)

Unremunerated, reasonable expenses covered.

PFH has a long and proud tradition of providing superior yet affordable housing options for older people in Hull and East Riding. We are truly a values-based organisation, providing good quality homes and a strong delivery of health and wellbeing services to our residents. We are proud to be small and local, and constantly challenge ourselves to consider what it means to be 'more than a landlord' by playing a positive part in our residents' wellbeing as they move through new stages of their lives.

We have two opportunities to join us as a non-executive director to ensure we continue to challenge our offering to our residents and keep us pointed in a positive strategic direction. Our

Board members will be expected to join a committee commensurate with their skills. We are always aiming to demonstrate governance excellence. We will judge your application on its merits, and we are open to a broad range of leadership and technical skills. Ideally, we would like to further extend board level financial expertise through one of the vacancies.

If you are looking to contribute to a creative and forward-thinking organisation that supports older people to live without compromise, we offer a collegiate and supportive environment and a great experience that we're excited to talk to you about.

To find out more about these opportunities, please contact
